

# Twin-wheel 3" Casters

22-40/22-44  
Twin-wheel 3" Casters  
with/without brake

## Description

TruCLEAN Pro, TruCLEAN 2 and the TruCLEAN Deluxe Disinfection Systems are equipped with (4) Twin-wheel 3" casters. Swivel caster is made of Polyamide with thermoplastic rubber tread for repetitive auto-claving and smooth rolling with little movement noise. All wheels are non-marring and corrosion resistant. All mopping systems are equipped with one caster with brake.

#22-40/44 Dimensions: 3" diameter x 2" width x 4¼" overall height

## Features & Benefits

- Thermoplastic rubber provides silent, smooth rolling
- Durable with attractive looking design
- Autoclavable, gamma ETO sterilization compatible
- Impervious to most chemicals, will not rust, corrode or oxidize

## Applications

- Compatible with all TruCLEAN Mopping Systems

# Heavy-Duty 4" Casters

22-21/22-20  
Heavy-duty 4" Casters  
with/without brake

## Description

TruCLEAN Pro XL Mopping Systems come equipped with (5) heavy-duty 4" casters for aggressive autoclaving protocols and smooth rolling on rough surfaces. Swivel caster constructed of Polyamide has thermoplastic rubber tread, non-marring, noise reducing and corrosion resistant. Stainless steel double ball bearing swivel, with stainless axle. Upgrade any TruCLEAN Pro Double or Triple bucket mopping systems by adding a set of 4" casters. All mopping systems are equipped with one caster with brake.

#22-20/21 Dimensions: 4" diameter x 1 1/4" width x 6 1/2" overall height

## Features & Benefits

- Thermoplastic rubber allows easy rolling on rough surfaces
- Robust, durable with pleasant design features
- Autoclavable, gamma ETO sterilization compatible
- Impervious to most chemicals, will not rust, corrode or oxidize

## Applications

- Standard on TruCLEAN Pro XL Mopping Systems
- Compatible with TruCLEAN Pro Mopping Systems

## Product Information
