

# TruCLEAN™ Pro Cart

## Exceptional strength and durability

22-99  
TruCLEAN Pro Cart

### Applications

- Compatible with TruCLEAN Pro and TruCLEAN Pro XL mopping systems
- Ideal for use in critical manufacturing environments

### Description

TruCLEAN Pro carts are designed for hygienic applications, providing exceptional strength and durability. TruCLEAN Pro range with its stainless steel cart frames being particularly suited to clean room applications because of the ability to add accessories without having drilled holes in the trolley frame. Pro cart is designed for use with two (22L) or three (15L) buckets. Equipped with four 3" casters, each cart has one caster with foot brake.

#22-99 Dimensions: 27¾" x 19" x 36"

### Features

- Autoclavable at 121° C for 30 minutes
- Removable cart handle for easier autoclaving and storage
- Designed specifically for use in controlled environments

### Benefits

- Durable, lightweight easy-to-maneuver design
- Extensive accessory range to customize for your needs
- Impervious to most chemicals, will not rust, corrode or oxidize
