Description

TruCLEAN PRO XL is designed for large area cleaning and disinfecting. Durable, lightweight stainless steel cart with front bucket extension arm and three high temperature resistant 22 liter polypropylene buckets. TruCLEAN XL Cart comes equipped with five heavy-duty 4" casters, one locking. The PRO XL system features two 6 liter pails with stainless steel carrying basket for extra supplies. Stainless steel mop frame and adjustable polymer handle included.

Features

- Autoclavable at 121° C for 30 minutes
- Durable stainless steel components
- Fully customizable mopping system
- Color coded to reduce cross-contamination

Benefits

- Unique wringing action significantly improves release of soiled contaminants
- Ergonomic design with non-slip grip to reduce worker fatigue
- Removable cart handle for easier autoclaving and storage
